Health Department Hosting FREE Smoke Free Homes Seminars

(Mason City) – The Cerro Gordo County Department of Public Health will be hosting free seminars on the Smoke Free Homes program. The seminars are directed toward landlords and will explain how to qualify for program benefits and resources. Landlords will also learn how to navigate the Smoke Free Homes website, and list their properties for free.

Seminars will be held at the Cerro Gordo County Department of Public Health in Mohawk Square. Three times are available for your convenience:

- Thursday, January 12th from 9-10AM
- Thursday, January 19th from 3-4PM
- Tuesday, January 24th from 4-5PM

“Many renters are looking for smoke free properties in Cerro Gordo County,” states Penny McCaslin, Tobacco Program Coordinator for the Cerro Gordo County Department of Public Health. “The Smoke Free Homes program provides landlords with signage, guidance, and much more free of charge.”

While attendance is free, registration is required. To register, call Penny McCaslin at 641-421-9329. For more information on the Smoke Free Homes program and other tobacco cessation resources, please visit our website at www.cghealth.com.
