P-S = Primary or Secondary EL = Early Latent (<1 year) Late = Late Latent, and Late with clinical manifestations, CONG = Congenital

Source: Iowa Department of Public Health, STD Program. Data as of April 2015

* Rate = Number of Cases per 100,000 population

¹ Diff = Total difference from previous year; () denotes decrease from prior year

† Calculation of rate is inappropriate due to small number of cases

‡ One case of congenital syphilis was reported in 2014. The specific county in which the case is not reported in order to maintain confidentiality.

Population based on 2010 census, estimated to 2013
