

Cerro Gordo County
Department of Public Health

INVITATION TO CONTRACTORS:
To Bid on a Lead-Based Paint Hazard Control Program Project

To: Contractor(s)

FROM: Jenna Heiar, Program Manager & Healthy Homes Program Coordinator

Re: Invitation to Bid – Remediation of: 712 N Madison Ave, Apt 2, Mason City, IA 50401
Open House: Tuesday, July 17th, 2018 at 9AM
Bid Opening: Tuesday, July 24th, 2018 at 9AM

You are invited to bid on the lead hazard control remediation of a home located at **712 N Madison Ave, Apt 2, Mason City, IA 50401**. This work is being financed with funding from the U.S. Department of Housing & Urban Development (HUD). The primary goal of the Cerro Gordo County Lead-Based Paint Hazard Control Program (LBPHC) is to reduce lead-based paint exposure and other health related hazards in housing for low and very low-income families with children five years of age and under.

You are required to participate in a **Contractor's Open House/Pre-bid tour being held Tuesday, July 17th, 2018 starting at 9AM at 712 N Madison Ave, Apt 2, Mason City, IA 50401.** The Specifications Proposal & Bid Document (including instructions to Bidders) is included in this packet. During this time, you will have the opportunity to inspect the home, review the specifications, and ask any questions of our Remediation Specialist, Steve Weaver.

Sealed bids on the project shall be submitted in accordance with the Instruction to Bidders, which will be available at the Open House. **Sealed bids must be mailed or hand delivered to: Cerro Gordo County Department of Public Health, ATTN: Jenna Heiar, 22 N. Georgia Ave, Suite 300, Mason City, IA 50401. Bids are due by no later than 9AM on Tuesday, July 24th, 2018.** All Bidders are welcome to attend the sealed bid opening, which will be held at **9AM on July 24th, 2018** at the Department of Public Health.

Bids are being solicited by invitation and public notice on our website. Bids may not be modified, withdrawn, or cancelled during the 30-day period following the date and time designated for the receipt of bids. Bids received from contractors barred from participation in federally assisted projects will be rejected. Consistent with Title 24 CFR (HUD), Part 85.36 Procurement, we will make awards only to "responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement with consideration given to such matters as contractor integrity, compliance with public policy, record of past performance and financial and technical resources."

All bids must be prepared and submitted in accordance with the Instruction to Bidders.

If you have any questions or require additional information, please contact Jenna Heiar at the CGCDPH office at 641-421-9339 or jheiar@cghealth.com.

**Bidder Requirements for the Cerro Gordo County Lead-Based Paint
Hazard Control Program**

Project Address: 712 N Madison Ave, Apt 2, Mason City, IA 50401

****All required documents listed below MUST be submitted with your bid packet prior to returning to Cerro Gordo County Department of Public Health to be eligible for the bid award****

Document Name	Document on File	Expiration Date
Iowa Department Public Health (IDPH) Firm Certification Certificate		
IDPH Abatement Contractor Certification(s)		
IDPH Abatement Worker Certification(s)		
Iowa Workforce Development Contractor Registration Certificate		
Proof of General Liability Insurance		
Proof of Automobile Liability Insurance (Company or Individual)		

The Department of Housing & Urban Development (HUD) Section 3 requirements are applicable for the CGCDPH LBPHC Program. Section 3 requires that to the greatest extent feasible, opportunities for training and employment arising from the use of rehabilitation grant funds be provided to low-income persons residing in Cerro Gordo County. Section 3 requires to new hires only. If a contractor has no need for additional workers, then Section 3 requirements do not apply. However, should a contractor participating in the Cerro Gordo County Lead Hazard Control Program at any time need to hire new employee(s) in order to adequately complete projects awarded to him/her under the Program, then he/she must contact CGCDPH for instructions pertaining to Section 3.

SIGNED

TITLE

**CERRO GORDO COUNTY
LEAD HAZARD CONTROL PROGRAM
BID AND PROPOSAL**

PROJECT SPECIFICATIONS FOR PROPERTY LOCATED AT:

**712 N Madison Ave,
Apt #2**

The proposal of _____ (hereinafter called "Bidder"), organized and existing under the laws of the State of _____ doing business as * _____. (*Insert "a corporation", "a partnership", or "an individual" as applicable.)

To Cerro Gordo County Dept. of Public Health (hereinafter called "COMMUNITY").

In compliance with your Advertisement for Bids, BIDDER hereby proposes to perform all WORK for the project located at the above referenced property certifies, and, in the case of a joint BID, each party thereto certifies as to his own organization, that this BID has been arrived at independently, without consultation, communication, or agreement as to any matter related to this BID with any other BIDDER or with any competitor.

BIDDER hereby agrees to commence work under this proposal on or before a date to be specified in the Notice to Proceed.

BIDDER acknowledges receipt and complete understanding of the Instructions to Bidder:

Printed or typed name of BIDDER / CONTRACTOR

Signature of BIDDER / CONTRACTOR

Firm Name: _____

Address: _____

City, State, Zip: _____

Bid Submitted By: _____

Phone Number: _____

NOTE(S):

- 1) All finish work to be completed per the *Bidding Instructions*.
- 2) You are responsible for repairing any damage to components remaining in place (i.e. header and casings as part of window replacement).
- 3) Project specifications are to serve as guidelines and any omissions in the description of the workmanship does not relieve the contractor of delivering a completed project in a workmanlike manner, in accordance with generally accepted practices.
- 4) Any and all damage to property caused by the contractor or his subcontractor must be repaired or replaced by the contractor to its original condition.
- 5) Per Iowa Admin Code 641-70.2(135) "Paint Stabilization" means repairing any physical defect in the substrate of a painted surface that is causing paint deterioration, removing loose paint and other material from the surface to be treated, and applying a new protective coating or paint pursuant to 24 CFR Part 35.

INTERIOR-LEAD HAZARD CONTROL

1. Living Room, Window (N3) (N4) (N5) – Abatement – Remove existing window components and replace with vinyl double hung Energy Star rated windows. Exterior stops will need to be wrapped with aluminum coil stock. Casing & sill to remain.	\$
2. Child Bedroom 1, Window (E1) – Abatement/Interim – Remove existing window components and replace with vinyl double hung Energy Star rated windows. <i>Window must be tempered glass.</i> Exterior stops will need to be wrapped with aluminum coil stock. Strip existing paint back 2" from the front of sill. Apply two coats of a high quality paint to match existing. Paint stabilization on interior casing. Apply a high quality paint to match existing.	\$
3. Child Bedroom, Wall (Side D) – Interim – Paint stabilization. Wet scrape any deteriorated paint and apply a high quality paint to match existing.	\$
4. Kitchen, Window (N1) (N2) – Abatement - Remove existing window components and replace with vinyl double hung Energy Star rated windows. Exterior stops will need to be wrapped with aluminum coil stock. Casing & sill to remain.	\$
5. Kitchen, Door Frame (Back Entry) – Interim – Paint stabilization. Wet scrape any deteriorated paint and apply a high quality paint to match existing.	\$
