### Iowa Restaurant and Bar Relief Grant Program

Governor Reynolds allocated federal CARES Act funds to provide relief for eligible restaurants and bars impacted during the COVID-19 pandemic. The Iowa Restaurant and Bar Relief Program may assist eligible businesses that experienced a decrease in gross sales of at least 15% during the second and third quarters of 2020, compared to the same time the previous year. Grant award amounts will be determined using a tiered system based on the percent of gross sales loss. Follow the link below for more information.
