Labeling Requirements

All food must be labeled with the common name of the food and the name and address of the person who prepared the food.

Allergen information needs to be declared on the label or by the use of a placard. The following food products are considered major allergens: Peanuts, Soybeans (not refined soybean oil), Milk, Eggs, Fish, Crustacean (crab, lobster or shrimp), Tree Nuts (almonds, pecans or walnuts) & Wheat.

Food that is prepared in licensed food establishments or food processing plants must be labeled at a minimum with the following information:

1. Product name
2. A list of ingredients in order of predominance (by weight). If the product has a standard of identity in the Code of Federal Regulations, it must conform to that standard.
3. Name and address of the manufacturer, packer or distributor. Unless the name given is the actual manufacturer, it must be accompanied by a phrase which states the product is: “manufactured for” or “distributed by.”
4. Net weight or volume.
5. Allergen information.
6. Nutrition labeling information is required unless exempt. Exemptions may be found on the website. www.fda.gov

Other regulations

The requirements outlined in this document relate only to Iowa licensing and inspections. Individual products may also be subject to FDA regulations. To determine if FDA regulations are applicable visit the FDA website or contact them at 1-888-463-6332.
